TO : Chief, Operations School, Tr.

DATE: 10 August 1955

FROM : AC/OS/TR

SUBJECT: Weekly Activities Report #32

SIGNIFICANT ITEMS

a. Special Air Force Training Program. During the reporting period, I have been in touch with Lt. Col. Giblo on several occasions, relative to the next program which has now been requested officially. While I have not seen this request, it is my understanding that 15 students will be available on Monday, 3 October. A minimum of two of these 15 will be potential instructors. As with the last course, the first two weeks will be conducted by the Air Force with some assistance from OTR. Our participation on a full-time basis would actually commence Monday, 17 October and continue for approximately six weeks thereafter.

b. While no formal request has been submitted, and no commitments made by OTR, nevertheless, I received an indication from [redacted] WH Division, that several members of [redacted] service are coming to this country for [redacted] commencing 12 September. [redacted] is interested in arranging clandestine intelligence methods and procedures following the [redacted] training. We have very little facts concerning this, and it was requested that WH supply specific information and submit a formal request giving us a lead time of at least two months. This is another indication of an increase in group training which was commented upon in my last report.

OTHER ACTIVITIES

a. Special Project [redacted] with two trainees, was completed Friday, 5 August, and Special Project [redacted] with one trainee, previously reported upon, was completed 4 August.

b. Special Project [redacted] with six trainees, previously reported upon, is continuing according to schedule.
